# Director's Message

**MR. BALAKRISHNA**  
FOUNDER and DIRECTOR

Sri Aadya Junior College, as a teaching institute. It is our endeavour to encourage students and pursuit of knowledge that brings about complete development as an individual. The quality of college plays an important role in determining the path of your career. Enrolling in our college is stepping stone to your child's successful future. Intelligence along with character that is the goal of true education. Our focus is to develop our students as global citizens, with tolerance, respect and appreciation of diversified cultures. We arm our students with technological supremacy and help them integrate it with values, morals and cultural legacy. We are confident that this college is the best place for your child. We look forward to your continuous support.

## WHY SRI AADYA ?

### VISION

To be recognised an educational institution that practices quality pedagogy, encourages innovation and research while instilling values and providing a vibrant environment for the holistic development of students into valuable global citizens.

### MISSION

By strengthening the teaching learning process through innovative practices, the institution will stimulate the spirit of scientific enquiry and discovery in academics. By providing state of the art institutional infrastructure and excellent human resources the college will foster a better educational environment. The institute will also impart training in entrepreneurial and life skills for enhancing employability.

## OBJECTIVES :

- To hone student's focus and help them gain depth in their chosen area of study to achieve academic excellence.
- To enable them to prepare for lifelong learning by nurturing independent thinking.
- To sensitize the students towards the immediate environment and the society at large.
- Education is a complete process that leads to the attainment of the full potential of the child.
- Our endeavour is to equip our students with life skills to face the real world. Be it planning, organising, deciding, questioning, reasoning, analysing, team-building and communicating effectively.
